- Vodafone customers who subscribe to weekly and monthly Passport packs (“**Passport**”) will get double allowance of roaming data while roaming in GCC and double allowance of roaming minutes while roaming to KSA as below:

**1. Weekly Passport Pack (QR100/week):**

1GB roaming data & 100 roaming minutes.

**(+Extra 1GB valid in GCC countries and extra 100 minutes valid in KSA only)**

Validity – 7 days

**2. Monthly Passport Pack (QR320/month):**

4GB roaming data & 300 roaming minutes.

**(+Extra 4GB valid in GCC countries and extra 300 minutes valid in KSA only)**

Validity – 30 days

- GCC Countries are Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, and the United Arab Emirates.
- Vodafone Passport subscribers can only use the additional roaming data on GCC networks and cannot use in other countries or operators.
- Vodafone Passport subscribers can only use the additional roaming minutes in KSA and cannot use in other countries or operators.
- The Promotional allowance on Passport will be used at higher priority before the regular Vodafone Passport allowance.
- The customer should activate any Vodafone Passport pack to gain the Promotion benefits. If Vodafone Passport is activated automatically (due to bill shock protection), the Promotion benefits will not be awarded.
- Standard Postpaid terms and conditions apply.
