### 1. Tariff Terms and conditions

- 1.1 Vodafone's General Business Terms and Conditions shall apply. Where a product or service, which a Customer uses, has specific terms and conditions published on our website and/or other marketing material, those specific terms and conditions will also apply.
- 1.2 Vodafone may from time to time offer and publish promotions that modify this tariff document, and such modifications will apply for the stipulated time. The Postpaid service will start and these terms and conditions will apply from the date set out on the General Business Terms and Conditions.
- 1.3 End User can recharge Plans with a consumer Prepaid card. When recharging with a Prepaid card on an enterprise line, customers will only get the standard credit and not the free Vodafone minutes and data. End User may also recharge with the Prepaid International Calling Card and Internet one off and in that case, they will get the full plan value added to their enterprise number.

- 1.4 Vodafone may as per the Article 3.9 of the Retail Tariff instructions (RTI) offer up to 20% discount on the products or services from time to time on a permanent or promotional basis.

**2. Service Plans**
